

Directions

Located in Albany, the Center for Technology in Government is within minutes of the New York State Capitol, the State Legislature, and state agency headquarters.

We are centrally-located in the Northeast: 150 miles from New York City, 165 miles from Boston, and 242 miles from Montreal, Canada. Our offices are located near the intersection of the New York State Thruway, the Adirondack Northway, and Interstate 90. We are within five miles of an AMTRAK rail station and the Albany International Airport, which is served by several major airlines.
