A Global Network of Scholars: CTG Holds 2010 iGov Research Institute in The Netherlands

July 18-25, 2010 | The Hague and Delft, The Netherlands

CTG is holding its fourth annual iGov Research Institute (iGov 2010) in Delft and The Hague in The Netherlands. iGov 2010 is providing 20 doctoral students from 14 countries an opportunity to assess the impact of information and communication technologies on the public sector and to understand the value of doing research in an international and multi-cultural context. Students from a variety of academic programs and 19 different universities in Bulgaria, Greece, India, Israel, Italy, Lithuania, The Netherlands, Nigeria, Norway, Pakistan, Poland, Sweden, Switzerland, and the United States are attending this year's week-long residential program.
