IN MEMORY OF

Valerie Gregg

1952-2009

The staff of CTG is grieving over the loss of one of our own. Valerie Gregg died Thursday evening, February 12, after a short but intense battle with cancer. CTG has lost a cherished colleague; the digital government world will surely miss her presence..

PROJECT HIGHLIGHT

A collaboration of researchers from Canada, United States, and Mexico

CTG is part of a group of researchers and practitioners from a variety of institutions and disciplines in Canada, the United States, and Mexico, which have formed the North American Digital Government Working Group (NADGWG) to advance electronic government research across geographic and political boundaries in the region. The working group members are developing a comparative and transnational research agenda targeted at questions about intergovernmental digital government initiatives in North America.
