UPCOMING EVENT

Welcome to XML for Web Site Management

Thursday, April 30, 8:30 am - 10:30 am

CTG's two-day XML training curriculum, "Using XML for Web Site Management: A Hands-on Introduction with Advanced Exercises," is under a licensure agreement with MicroKnowledge, Inc. for delivery to government practitioners and the public. Learn more about the benefits of XML and the two-day XML training at a special customer appreciation event to be held by MicroKnowledge.
