CTG RELEASES OPEN GOVERNMENT PUBLIC VALUE ASSESSEMENT TOOL

CTG has released a new tool for government leaders: the Open Government Portfolio Public Value Assessment Tool (PVAT). The tool comes as the Obama Administration celebrates the one-year anniversary of federal agency open government plans. PVAT offers government leaders an approach to making better informed decisions about their open government investments by providing a structured way for governments to assess the public value of each of their initiatives.

CTG HOSTED OPEN GOVERNMENT RESEARCH AND DEVELOPMENT WORKSHOP

April 27-28, 2011 | Albany, NY

CTG partnered with the Tetherless World Constellation (TWC) at Rensselaer Polytechnic Institute, the Institute for Information Law and Policy at New York University, and Civic Commons to host a two-day workshop exploring research and development questions of how open government and the use of government data can be implemented in ways that improve the lives of everyday citizens.
